Faculty senators are “Senator [Last name].” Students are “Representative [Last name].” Administrators should use their titles. Those who are not members of Faculty Senate should rename themselves “NV – [Name]” to indicate they are non-voting participants.
- University employees (with limited exceptions) have a **reporting obligation** when they become aware of incidents of relationship violence, stalking, or sexual misconduct that involve a member of the university community (i.e., faculty, staff, or a student) or occur at a university event or on university property.
