Dear Graduate and Professional Students,

As we get closer to searching for Michigan State University's next permanent President, we enter a pivotal moment in our community's history and future. The Board of Trustees is in the process of deciding what the search committee will look like, and we know we will have at least a couple of graduate student representative positions available. In an effort to be as transparent and democratic as possible in deciding who these representatives will be, the Council of Graduate Students is accepting applications for any graduate or professional student who wishes to serve on this search committee.

If you are interested in being considered, please fill out this quick Google survey:

The deadline for applications is 11:59 p.m. on Sunday, April 15. If you are selected for an interview, you will be contacted by our office the following week to set up the interview.

Now is the time to make our voices heard and make sure our graduate community has strong and steadfast representation while these important decisions are made. If you've been looking for an opportunity to step up and make a difference at our school, this is it!

If you have any questions or concerns, please contact [office@cogs.msu.edu](mailto:office@cogs.msu.edu).

In Solidarity,
