To the University Council,

We are in receipt of your November 20 memorandum requesting to review interview questions for presidential candidates.

To ensure the integrity of the process and prevent any candidates from having an unfair advantage, we will not be sharing specific interview questions in advance. Please know, however, that the search committee will be asking questions that reflect the priorities of the university community, as revealed through the campus-wide input sessions. These priorities are reflected in both the advertisement for the position and the presidential prospectus.

Additional input with regard to suggested interview questions can be submitted to the committee at presidentialexsearch@msu.edu.

Sincerely,

Dianne Byrum
