Actions Taken at Recent Meetings

October 10, 2024

Jim Lucas presented a draft decision guide based on university policy for reviewing certificate requests.

AACC policy updates: Shared program policy intended to clarify and adhere to federal financial guidelines. This new policy is embracing technology to communicate between shared programs. More clarity on how financial aid can be utilized.

The digital learning platform survey sent out and has closed. 240 responses from faculty and 155 responses from students. Feedback survey is too long and labor intense to complete. Discussed other avenues of data retrieval and also including grad-professional students.

Program Curriculum Request:

Anticipated Items at Upcoming Meetings

The committee is planning to discuss data retrieval and analysis from D2L usage at the November 7, 2024 meeting. As well as other methods of obtaining information requested from UC regarding Digital Learning Platforms aside from surveys.

Requested Support from the Steering Committee and/or the Office of Academic Governance

The committee has no requests at this time from the Steering Committee.

The committee requests the digital learning platform update be given at the December meeting from the Secretary for Academic Governance so that the committee can pull information requested via other avenues (IT personnel at each college to share digital learning platforms being used)
