CSS section in question:

1.2. Voting Faculty

1.2.1. For the election of University councils and committees, the voting faculty consists of all regular faculty (as defined in 1.1.1) whose appointments are at least 25% full-time equivalent in the College, including those on leave, and fixed term faculty (as defined in 1.1.2) whose appointments are at least 25% full-time equivalent in the College and who have served at least three consecutive years.

Conflicts:

1. Three consecutive years of service is a requirement removed for university-level governance in 2023 (see 1.2.1.1.).
2. In the spring college elections to university-level governance, faculty should only be voting in their primary personnel unit (see 1.1.2.3.). With the 25% FTE requirement, it is unclear that joint-appointed faculty should only be voting in their primary unit.
