Program Name: History Education
Degree: BA Sequence Number: 5

Program Request ID: 4994

Effective Dates: Summer 2023 - Summer Semester 2025
Action: Moratorium

Status: Interim Initial

Requested Date: 3/31/2023 9:17:17 AM

1. Department/School/College:

10038404 Department of History

2. Name of Program:

History Education

3. Name of Degree:

BA

4. Type of Program:

Major

5. Effective Start Semester:

Summer 2023

Reason for Moratorium Request:

The Michigan State Board of Education has indicated that all secondary education students who plan to be certified to teach social studies should be in a social studies major rather than a history major. Moreover, the College of Education has decided to reduce their secondary education students' time to full certification from five years to four by adding quite a few Teacher Education credits to the junior and senior years of student preparation. Those credits could not be accommodated in the History Education major even if the State Board of Education had not indicated that all secondary education social studies students should be in a major specifically designated as social studies.

Effective End Term:

Summer Semester 2025

Students who will be affected by the proposed change(s):

Current students in History Education who will not be seniors next year. There may be a few students who will be juniors next year who will prefer to stay in History Education, which is why the moratorium is for two years rather than one.

Suggested alternative major and major code for new admits:

This major is being replaced by the revised Social Studies Education major, whose home unit will be History so it will be called History: Social Studies Education.
