

UCUE discussion on 1/25/2024

- *Are complementary digital learning platforms supporting **student success**?*
- *Does the use of multiple digital learning platforms create **accessibility** and **affordability** barriers for students?*

UCUE Guests

- Jason Beaudin, Executive Director, MSU IT Educational Technology
- Stephen Thomas, Assistant Dean, STEM Education Teaching and Learning, Undergraduate Education
- Jeremy Van Hof, Director, Center for Teaching and Learning Innovation

Complementary Digital Learning Platforms

- Digital Platforms used in the classroom *in addition to* D2L
- Flip, Loncapa, MatLab, CATME, Padlet...

Request

An ad hoc committee to

- design,
- develop,
- deliver, and
- report on

a campus-wide survey on **students and faculty satisfaction** with their current usage of digital learning platforms.

Suggested Representation

- UCUE, UCFA, UCGS, ASMSU, COGS
- Office of the Provost
- MSU IT Educational Technology
- Center for Teaching and Learning Innovation
- Enhanced Digital Learning Initiative
- MSU Survey Committee
