

Athletic Council Proposed Revised Language

University Committee on Academic Governance

10/24/24

History and Rationale

During the summer of 2024, a subcommittee was appointed to look into issues surrounding the bylaws for the Athletic Council (Jack Lipton, Rebecca Malouin, Dean Rehberger).

The subcommittee was charged with exploring a number of issues with the AC. Of those charges, the subcommittee was to review the current bylaws and to clarify the ability for the president to appoint 2 MSU Faculty Athletic Representatives (FARs). In 2018, the then MSU president, Engler, appointed 2 FARs, although it was not clear in the bylaws if this was possible. The focus was also to clarify that while it is not usual for ex-officio members without a vote to serve as chair, the subcommittee wanted to clarify that the FARs would not serve as chairs.

After extensive review of the bylaws (and similar bylaws for AC committees in the Big Ten and other R1s), the subcommittee recommended revisions to bylaws for UCAG to review.
