Motion 1

Move to amend lines 39 - 42, sections 1b and 1c, and lines 58-61, sections 2d and 2e to read:

1.b. The Chairperson of Academic Assembly and one additional undergraduate student will sit ex-officio, but with voting rights on all matters not exclusively reserved for the faculty.

1.c. The President of the Council of Graduate Students and one additional graduate student will sit ex-officio, but with voting rights on all matters not exclusively reserved for the faculty.

2.d. The additional undergraduate student member of TSC will be selected by the voting members of the ASMSU Academic Assembly.

2.e. The additional graduate student member of TSC will be selected from the student members of the University Graduate Council.

Rationale: This language makes the undergraduate and graduate student representation on TSC the same as currently on ECAC. In the original TF1 report, TSC was envisioned as smaller than ECAC. However, Faculty Council has decided that TSC should have a size comparable to that of ECAC -- in this context, reducing student membership is not appropriate.

Motion 2

Move to amend to change the name of the University Undergraduate Studies Committee (UUSC) to the Undergraduate Academic Policy Committee (UAPC). (This change would effect lines 232-238, 317-323, 427-428, 593, and 646-677.)

Rationale: UCAP, which performs the functions envisioned for UUSC currently, believes that it is important to retain "Academic Policy" in the name of the committee since this is what distinguishes its responsibilities from the undergraduate responsibilities of UCC.
