MEMORANDUM

TO: The Steering Committee

FROM: Jacqueline Wright
Secretary for Academic Governance

SUBJECT: Request Received for Exploration RE: SIRS e-forms

The following request was sent to the Academic Governance Office:

1) The ability for co-taught/multi-instructor courses to have SIRS e-forms available for all instructors, so students can comment on the individual instructors.

2) A clarification of how faculty who teach cross-listed courses (either individually or co-taught) can access their SIRS on-line (this may already be possible, but an explanation/clarification is needed).
