The following motion was received from Merry Morash, ECAC At-Large Faculty Member:

I would like to make a motion to place the following motion on the next FC agenda:

Move to ask faculty on ECAC to prepare documents similar to the “yellow pages” introduced by Jon Sticklen for the two remaining parts of the recommendations of Task Force I, which are the two parts not yet on the floor as motions. These documents will be distributed to Faculty Council before any motion is made to accept the remaining two parts of the Task Force I recommendations.
